

Nature Explore Workshops

The Arbor Day Foundation and Dimensions Educational Research Foundation in collaboration with Wisconsin Department of Natural Resources proudly invite you to a Nature Explore workshop devoted to reconnecting children with nature.

Workshop Location: Richard Bong State Recreation Area 26313 Burlington Road Kansasville, WI 53139

Meet at the Visitor Center. Park admission waived for workshop attendees.

WORKSHOP SCHEDULE

Tuesday, November 9, 2010

3:00 p.m. – 6:00 p.m. Using Your Outdoor Classroom

Through fun and engaging hands-on experiences, participants will gain techniques for using outdoor classrooms as an integral part of preschool and elementary children's daily learning. Discover how well-designed outdoor spaces facilitate children's overall development in traditional academic areas, strengthen specific skills, and aid social-emotional growth. Explore a variety of motivating strategies for facilitating and assessing student learning in outdoor classrooms, and reaching a variety of interests and needs.

The Richard Bong State Recreation Area will be creating a Nature Explore Classroom that the public will be able to use. This workshop will help participants understand how to utilize this outdoor space.
